Some actual fractals stemming from the Frobenius fractal (FF)
A fractal coming from the FF when $p = 3$
A fractal coming from the FF when $p = 5$
A fractal coming from the FF when $p = 2$
Some converging fractals coming from the FF for $p = 2, 3, 5$
Some converging fractals coming from the FF for $p = 2, 3, 5$
Some converging fractals coming from the FF for $p = 2, 3, 5$
A fractal coming from the FF when $p = 5$
A fractal coming from the FF when $p = 3$
A fractal coming from the FF when $p = 3$
A fractal coming from the FF when $p = 5$
